

SUNDAY, 21 JUNE 2015		TUESDAY, 23 JUNE 2015	
14.00	Exhibition set-up	09.00	User experiences of VRM grinding and optimisation at Indocement: Jean-Marc Reginster, HeidelbergCement Technical Centre (Indonesia)
16.00	Delegate registration	09.30	Additives for competitive limestone cement in Asian markets: Jorg Schrabback, Sika Services AG (Germany)
18.30	Cocktail reception followed by Welcome Dinner	10.00	Controlling particle size distribution for increased grinding efficiency: Stuart Barton, Xoptix (UK)
MONDAY, 22 JUNE 2015		10.30	Coffee Break
07.30	Delegate registration	11.00	New high capacity bucket elevator developments: Fernando Libonati, Aumund (Germany)
08.45	Welcome address from the conference organisers	11.20	Large volume dome storage: Roel Castano, Geometrica (USA)
09.00	Thailand cement market – growth and sustainability: Nithi Patarachoke, Vice President: SCG Cement – Building Materials (Thailand)	11.40	Optimised transport planning: reducing truck fleet costs and gate congestion: Karsten Horn, INFORM GmbH (Germany)
09.30	Asian economic development and construction sector outlook: Soumitra Sharma, IHS (Singapore)	12.00	Performance comparison of paper and plastic sacks: Mark Van Der Merwe, Billerud Korsnas (Sweden)
10.00	A review of ASEAN cement markets: Martin Wilkes, Independent Consultant (Indonesia)	12.30	Lunch
10.30	Coffee Break	14.00	Alternative fuels: technology, performance and challenges: Dr Arif Bashir, DG Khan (Pakistan)
11.00	Worldwide cement market trends: Thomas Armstrong, International Cement Review (UK)	14.30	Maximising the thermal substitution rate of alternative fuels in kiln and calciners: Tahir Abbas, Cinar (UK)
11.20	Prospects for the Vietnam cement industry: Thuan Nguyen, StoxPlus Corp (Vietnam)	15.00	The next generation in advanced technologies for emission reduction, EMC+, SCR and DeCONO _x : Andreas Renetzeder, Scheuch GmbH (Austria)
11.40	Indonesia's cement industry 2015 and beyond: Randolph Wintgens, Wintgens Associates (Indonesia)	15.30	Coffee Break
12.00	Dry bulk freight rates and trends in clinker & cement trading: Joel Grau Lara, Marmedsa Chartering (Spain)	16.00	Palletless packaging systems – Southeast Asian case studies: Soravudh Chotivanich, Beumer Group (Germany)
12.30	Lunch	16.20	The Mardin Cement 4000tpd clinker cooler retrofit – breaking a new world record with the FONS Delta Cooler: Mogens Fons, Fons Technology International (Turkey)
14.00	Indian cement industry – present status and the way forward: Dr SK Handoo, Cement Manufacturers' Association of India (India)	16.40	Cost reduction through optimised air and gas flows in cement production: Dirk Schmidt, Promecon, (Germany)
14.30	Myanmar emerges – cement market and project developments: Soe Naing, KBZ Industries (Myanmar)	19.00	Cocktail reception followed by Gala Dinner and entertainment
15.00	SCG's Lampang plant: a role model for sustainable development in business operation: Poramen Pradaphon, Siam Cement Lampang (Thailand)	WEDNESDAY, 24 JUNE 2015	
15.30	Coffee Break	07.30	Visit to SCG Cement's Kaeng Khoi cement plant
16.00	Successful AF systems for RDF, rice husks and shredded tyres: Luc Rieffel, Walter Materials Handling / ATS Group (France)	-	
16.20	Challenges in developing a refuse-derived fuel for cement kilns in Southeast Asia from local waste: Brian McGrath, ResourceCo Asia (Singapore)	16.00	
16.40	21MW WHR system for Pukrang cement plant: Hakan Uvez, Asia Cement PLC (Thailand)		
17.00	Financing cement in emerging markets: Eric Siew, IFC (Hong Kong)		
17.30	Drinks reception in the Exhibition Area
