Table of contents

1. Executive summary **7**

2. The Indonesian economy **9**

Historical Performance 10

- Key economic data 12
- Recent trends 12
- Commodities 13
- Demographics 14
- Construction sector 15
- Major projects 16

3. Cement demand **19**

- Cement consumption 19
- Regional breakdown 22
- Demand segments 24
- Bagged versus bulk 24
- Secondary and retail markets 25
- Key products in the market 25

4. Cement supply **28**

- Major producers in Indonesia 28
- Regional cement market and impact on Indonesia 34
- 2015 disappoints 35
- Integrated cement plants operating in Indonesia in 2015 36
- Cement and clinker production and cement capacity utilisation 37
- Exports and imports 39

5. Cement distribution **42**

- Transportation 43
- Cement prices 45
- Market shares 47

6. Sector outlook **48**

- Demand outlook 51
- New capacity and supply-demand balance to 2020 53
- Supply-demand scenarios 59
- Potential M&A activity 61
- Risks and threats 61
- Conclusions 62
