

INTERNATIONAL CEMENT CONFERENCE

Cemtech

PRODUCTION EXPERTISE - MANAGEMENT SKILLS

**Swissôtel The Bosphorus
Istanbul, Turkey**

Extended programme: Technical Workshops

Cemtech is pleased to announce two technical workshops have been organised for delegates attending Cemtech Europe in Istanbul.

Numbers per workshop are limited to 35 persons and you must be registered as a Cemtech delegate to participate. No additional fees are payable, however, to attend the workshops.

To register for these workshops please send an email to the conference director below. In your email please provide your Cemtech delegate admission number and your preference to attend Workshop A or Workshop B or both events.

Technical Workshop A

Sunday 26th September 2010: 14:00-17:00

“Advanced cement milling operations and technology” organised by Christian Pfeiffer Maschinenfabrik GmbH (Austria / Germany)

Technical Workshop B

Wednesday 29th September 2010: 09:00-12:30

“Producing clinkers and cements with less embodied CO₂” led by Dr Michael Clark, Whitehopleman (UK) and Technical consultant for International Cement Review

Workshop Registration

To register for these workshops, please email your details to the conference director, Thomas Armstrong, at info@CemtechEurope.com

Please include the following information:

1. Name of workshop you wish to attend
2. Full name
3. Company
4. Position
5. Cemtech delegate admission number

Please note, spaces are limited to the first 35 applicants. In the event of over-booking, priority will be given to cement producers.

We look forward to welcoming you to Cemtech Europe in Istanbul at the Swissôtel The Bosphorus.
