

## CONFERENCE PROGRAMME

**Sunday 23<sup>rd</sup> September 2012**

14.00 Exhibition set-up

16.00 Delegate registration

**18.30 Cocktail reception followed by  
Welcome Dinner****Monday 24<sup>th</sup> September 2012**

07.30 Delegate registration

09.00 Welcome address: Thomas Armstrong,  
Managing Editor, International Cement Review (UK)09.30 Global cement industry trends and outlook: Yuri Serov,  
Morgan Stanley (UK)10.00 European cement groups relegated to the back seat?  
J-C Lefèvre-Mouleng, Credit Mutuel CIC Securities (France)**10.30 Coffee break**11.00 Turkish cement industry – market evolution and  
technical developments: Çağlan Becan,  
Turkish Cement Manufacturers Association (Turkey)11.30 Russian cement market trends, industry developments,  
and 2013 outlook: Stanislav Aksenov, CMPPro (Russia)12.00 The biggest ball mill installation in Europe:  
Wieslaw Adamczyk, Górażdze Cement SA (Poland) and  
Erich Pichlmaier, Christian Pfeiffer (Germany)**12.30 Lunch**14.00 Update on corporate sustainability strategies of the  
global majors: Jim O'Brien CSR Consulting (Ireland)14.30 Factoring biodiversity into sustainable quarry  
management – best practice and recent case study:  
Tony Whitten, Fauna & Flora International (UK)15.00 Raw material production – optimise your quarry output:  
Jean-Marc Ritzenthaler, Senior Geologist,  
Cement Engineering SA (Switzerland)**15.30 Coffee break**16.00 Improving performance of vertical roller mills using  
advanced process control and real-time optimisation:  
Steve McGarel, Loesche Automation (Germany)16.30 Geared drive solutions for the cement industry:  
Martin Bächler, FLSmidth MAAG Gear AG (Switzerland)17.00 Fly ash cement – additives to overcome obstacles:  
Jorg M Schrabbach, Sika Services AG, Germany**17.30 Evening reception in the exhibition area****Tuesday 25<sup>th</sup> September 2012**09.00 Construction and commissioning of Vassiliko Cement Works:  
Stelios Sycopetrides, Vassiliko Cement (Cyprus)09.20 Advanced process optimization for kilns and mills with  
ABB's Expert Optimizer – results from two years of operation  
at Adana Cimento: Mahmut Selekgolu, Adana Çimento San TAS,  
Oyak Cement (Turkey)09.40 Efficient cooler leverages pyro-line performance: Bartin Çimento  
case study, Turkey: Frank Lichomski, IKN GmbH (Germany)10.00 Solid alternative fuel combustion in the main burner:  
Christian Helmreich, Greco Combustion Systems (Austria)**10.30 Coffee break**11.00 CEMEX's alternative fuel global strategy:  
Neville Roberts, Cemex (Mexico)11.30 Aslan Çimento ensures a sustainable future with alternative fuel  
– a 'fast-track' business model: Yildiray Yildiz, Aslan Çimento,  
Oyak Cement (Turkey)12.00 ReduDust – an economic process for a "waste free" reworking of  
bypass-dust: Benoit Galichet, Holcim Slovakia**12.30 Lunch**14.00 European cement trade – logistics and technology: Ad Ligthart,  
Cement Distribution Consultants (The Netherlands)14.30 Dry bulk freight market & cement trading: trends and 2013  
outlook: Joel Grau Lara, Clarksons (Switzerland)15.00 Optimising Heavy Mobile Fleet Performance for the  
cement industry: Simon Purchon, Babcock International (UK)**15.30 Coffee break**16.00 Innovations in air pollution control for the reduction of NO<sub>x</sub>,  
PM and mercury emissions: Johannes Ebert and Jeff Kolde,  
WL Gore and Associates, Inc (USA)16.30 The Haver Adams® Process – tight filling into PE bags:  
Claus Ohlmeyer, Haver & Boecker OHG (Germany)17.00 Advances in air cannon technology for improved  
material flow: Jeff Shelton, Martin Engineering (USA)**19.00 Cocktail reception followed by  
Gala Dinner and entertainment****Wednesday 26<sup>th</sup> September 2012**

08.00-15.00 Visit to Holcim's Eclépens cement works

09.00-13.00 Technical Workshop

*Conference programme is subject to change.*

**Companies exhibiting at Cemtech Europe 2012:** 3L&T, ABB, A TEC GRECO, BASF, Bedeschi, CMD Engrenages et Réducteurs SA, Castolin, Cemengal, Chemtrols, Cesa Engineering, Enbo, FLSmidth, Gambarotta, Euromecc, ITECA, Mirion Technology, PEG SA, Promac, SIKA, Sibilina SRL, ThermoFisher, Scantech, Walter Materials Handling/ATS Group.
