

**SUNDAY, 14 JUNE 2020**

14.00 Exhibition set-up

16.00 Delegate registration

**MONDAY, 15 JUNE 2020**

07.30 Delegate registration

08.45 Welcome address: conference organisers

09.00 Global cement industry trends and forecasts to 2025

09.30 ASEAN report: cement supply and demand outlook

10.00 Keynote: Indonesian cement sector in 2020 and beyond

10.30 Coffee break

11.00 The circular economy and Asia's cement industry

11.30 Digitalisation: how to integrate AI into your plant operations

12.00 Waste heat recovery and renewable energy solutions for cement plants

12.30 Lunch

14.00 Cement and clinker trade – export opportunities for ASEAN cement producers

14.20 Maritime clinker and cement distribution technologies

14.40 Southeast Asian cement industry: plant modernisation case study

15.00 Country reports: Malaysia and Singapore markets

15.30 Coffee break

16.00 China's cement sector: capacity rebalancing and environmental initiatives

16.30 Innovations in low-carbon clinker cements

17.00 Manufacturing low-carbon cements with fly ash, slag and pozzolans

17.30 Evening reception in the Exhibition Area

**TUESDAY, 16 JUNE 2020**

09.00 Country technology roadmaps: Vietnam's sustainability initiatives

09.30 Quarry optimisation with Industry 4.0

10.00 Online analysis and raw material quality control

10.30 Coffee break

11.00 Application of process control for plant optimisation and cost reduction

11.20 State-of-the-art grinding systems

11.40 Cement packing, handling and distribution technologies

12.00 Explosion protection – understanding coal handling safety

12.30 Lunch

14.00 Alternative fuels – key technologies that will help you diversify your fuel portfolio and reduce CO<sub>2</sub>

14.20 Maximising alternative fuel utilisation: preheater modifications, burner upgrades

14.40 Co-processing plastic waste – Philippines case study

15.00 NO<sub>x</sub> and SO<sub>x</sub> control: primary and secondary measures

15.30 Coffee break

16.00 Clinker cooler modifications and upgrades

16.30 Refractory materials selection and installation

17.00 Kiln and mill maintenance best practice

19.00 Cocktail reception followed by Gala Dinner and entertainment

**WEDNESDAY, 17 JUNE 2020**

07.30 -17.30 Visit to local cement plant
